## MISSION STATEMENT

In partnership with home and church, the mission of Central Lutheran School is to make Christian disciples of our students and to equip them with fundamental knowledge and skills for responsible citizenship in the community and the world.

## DIRECTOR'S CORNER

*"So teach us to number our days, that we  
may apply our hearts unto wisdom."*

**Psalm 90:12**

*"Birthdays are good for you. Statistics  
show that the people who have the most  
birthdays live the longest."*

For those of us who have lived a while (more than 3, 4, or more decades) we might look at our lives and try to determine if we have been successful. However, it may be difficult to determine what success actually means. It is unlikely any of us will ever accomplish as much as we would like to accomplish in a lifetime – to learn as much as we would like to learn or to experience as much as we would like to experience. We might question whether we have done enough to teach our children how to avoid trouble in the right way. We might wonder if we made the right career choices to advance in the direction we want to go. All of these questions focus on the path that we have chosen.

However, we need to remember that our Father in Heaven has placed us on the Earth for a reason. Each of us has a set number of days to accomplish our mission, and only the Father knows what that final tally of days will be. We need to be mindful of the way that we spend these days so that we can bring glory to God. We must ask God to provide the wisdom to know where and how to apply ourselves. Each day, we should ask, "What do you want me to learn today? What do you want me to experience?" When we ask God to set the goals of our lives, we can trust Him to teach us the most important lessons first and to reinforce them with patience and love.

Have you applied God's wisdom to your goals yet today? Ask for this gift and you will be amazed at how far you will go! Have an awesome weekend!

*Mrs. Wlian, K-8 Director*

## VERY IMPORTANT DATE CHANGE

### Lower Wing Musical

Because of circumstances that are beyond our control, we have had to move the Lower Wing Musical to March 19, 2010, at 7:00 p.m. We apologize for any inconvenience that this date change may cause!

If you have any questions regarding this (or other) date changes, please feel free to contact the **school office at (651) 645-8649.**

*Thank you for your patience!*

## PRESENTATION FOR PARENTS

Brian Young, a nationally known speaker and author will be sharing at Central Lutheran School from 6:30 p.m. to 8:00 p.m., Thursday, March 11, 2010. Mr. Young has debated numerous professors at secular universities challenging the traditional views of evolutionary origins. He will give answers to common questions such as:

- "Where did Cain get his wife?"
- "Are dinosaurs in the Bible?"
- "How could people live 900 years before the Flood?"
- "How old is the earth and what about the dating methods?"
- "What caused the ice-age?"
- "Can a Christian believe in evolution without contradicting the Bible?"
- "What does the fossil evidence tell us about origins?"

All these and many more issues will be addressed as well as time to ask questions on any topic. Although all ages are welcome and will enjoy the topics, the information presented will be most beneficial for ages 10 and up.

*"Since the Creation of the World, God's invisible qualities, His eternal power and Divine nature have been clearly seen, being understood from that which has been made so that men are without excuse." Romans 1:20*

One hour of Volunteer time will be given per family for attendance at the presentation.

## JELLY BEANS – NOW ON SALE!

That's right! It is time to buy your jelly beans again! The P.T. & F.A. families have worked very hard again this year to repackage those delicious jelly beans for resale to the public. If you are interested in making a purchase for yourself, friends, relatives, or even for people at

your workplace, now is the time! Bags of jelly beans can be purchased in the office for \$3.00 each. This is a great fundraising opportunity that brings many benefits to the school. Please contact the office for more information or to make a purchase.
