Reading

The children will be learning the letters **B, M, N and W**. The sound for **B** as in butter and baseball. The letter **M** as in monkey and mitten. The letter **N** sound is the one you hear in nest, nut, and noodle. The letter **W** as in water, window and watermelon.

READING - Star Words

The children will continue to learn more "Star Words." **These are the new words for this month: on, no and not, me and we.** Try to reinforce these as well as all of the previous "star words." When reading to your child, help him or her search for these words. It is exciting to see the tremendous growth in each child's reading and writing skills.

Religion

- Week One:** A Woman Anoints Jesus' Feet
- Week Two:** Children Praise Jesus
- Week Three:** Jesus Dies and Arises
- Week Four:** Benjamin's Box

Math

These are the areas we will cover in math during the month of March:

- creating a real graph
- identifying nickels
- counting by 5's
- Identifying a cylinder
- creating ABC and ABBC patterns
- Paying for items using nickels
- Dividing by sharing

THEMES

The children will begin working on the theme "Let's Be Friends." Toward the end of the month, they will begin a theme called "Playful Pets." In this theme, the children will hear stories about how to take care of pets, how some pets get into mischief, and how much we love and care about our pets.
