This week in Kindergarten

Happy December!

This was a fun week at school. Our field trip to the Old Log Theater was lots of fun. We enjoyed "Hansel and Gretel." Thank you parents for being awesome chaperones.

This week we got to decorate for Christmas. We have also been reading Christmas stories and listening to Christmas music. Today I sent home the words to "Away in a Manger." We will be singing that for the Christmas Pageant. Please help

your child practice the words at home too.

In math we are talking about money—pennies. It's pretty exciting to hear what they would buy if they had lots of pennies.

Please remember that this Sunday is the pancake breakfast. I hope you can all come. Check out the book fair too!
