# PAYMENT PLAN AGREEMENT

The school year is spread out over 40 weeks, but only 180 of those days, or 36 weeks, are actually school days. So, you may choose to make 36 "weekly" payments due upon arrival, on you child's first day of attendance each week. The second option is to make nine equal "monthly" payments, due on the first business day of each month of the school year. Please indicate at the bottom of this page, which choice you prefer, sign & date the form, and then return it to Ms. Jackie/Director.
